

Biggs Barbeque Charitable Contribution Program

Biggs Barbeque would like to thank you for thinking of us as part of your fundraising/sponsorship opportunities. We receive many worthy requests each month, and with this in mind we have developed a purchase match program that will enable us to help everyone.

This program allows us to match every dollar that is purchased by your function up to \$100. For instance, if you purchase a \$100 gift certificate, Bigg's would match that by \$100 and send your function a \$200 certificate. You may also break your purchase into multiple gift certificates - purchase 3-\$25 gift certificates, our match would make it 3-\$50 gift certificates.

To submit a request, please mail or email a request letter on your company letterhead to the Bigg's Barbeque address and contact person below, providing the following information:

(1) date of the function; (2) type of function; (3) a contact person name and phone number.

Once we receive your letter, we will respond to your contact person to discuss how to get your certificates.

Thank you.

Please submit all requests to:
